Malvern Springs features on Public Education Facebook page

Check out our students from Miss Featherstone's Room 36 on the Education Department's Public Education in Western Australia's Facebook page which is promoting enrolment in government schools. We have shared the video on our Malvern Springs Primary School Facebook page. We are proud of our students.

COVID19 Update

We welcome parents onto school grounds both before and after school. Thank you for keeping your social distance and not entering the classrooms. As we are unsure about what is happening with COVID19, we have decided to not hold assemblies for the foreseeable future as it is too difficult to maintain social distancing when we have up to 400 students and as many parents at any assembly. We will still be giving out merit certificates.

Please keep your children home if they are unwell.
