Year 6 Camp

The Year 6 camp was a resounding success with the campers and staff returning to school on Friday 20 November thoroughly exhausted and feeling great about their camp experience! We are so lucky to have so many staff who were willing to go on camp, and the fact that they have as much fun as the students! Thank you to parents for making sure your children were well organised for camp.

Play and Learning to Socialise (PALS)

We are pleased that CLAN Midland has organised the PALS program this term. This involves parents and their pre-kindergarten children coming to Kindy for a few hours per week for six weeks to learn about how kindergarten works. We are delighted with the response from families. Thank you so much to Julie Cooper from CLAN who has organised this wonderful activity for our families. Teacher Kate Walkerden has played a major role in the success of

the program.

Secondary Orientation Days

Our Year 6 students were off to Aveley Secondary College yesterday and Ellenbrook Secondary College today for their secondary orientation. Some were very nervous but also looking forward to their first secondary experience. I know the secondary colleges organise informative days where the tone is set for a positive experience. Thank you to both Aveley and Ellenbrook Secondary Colleges for organising such interesting and inspiring days.

Prefect and Faction Captain Elections

Year 5 students have spent weeks preparing their speeches for Prefect and Faction Captain positions for 2021. Deputy Principal Lisa Salleo organised a representative from the Electoral Commission to help out with the elections. Year 5 students were lucky enough to have our local Member of Parliament, Jessica Shaw talk to our Year 5 students about making speeches. Best wishes to all

YEAR 6 CAMP . . .

Camp 2020

On the 18th of November the Year 6's of Malvern Springs arrived at Dare Adventure Camp in Dwellingup. We split into groups and we did lots of activities like commando course, archery tag, flying fox, kayaking and a night walk. All the groups rotated every 2 hours and these activities had to be done in three days. Out of all the activities the Year 6's liked the night walk the most. In the flying fox we got strapped up and we put our helmets on. We put our ascenders on and climbed the tower. We had to wait, but in the end, it was rewarding. We had so much fun. Archery tag was so much fun, the camp instructor told us to make sure to keep your fist facing the air and use three fingers to shoot the arrow. The night walk was the best activity, you had to walk in the dark with no light except the moonlight, but you could still see. The worst thing was the teachers scared you. The mountain biking was great exercise however stressful for some people. We went down a steep hill at the speed of light and at the bottom there was a small mound we jumped off. The scenery was nice and overall, the biking was fun. We also did kayaking, which was fun, we learnt how to get on the kayak and we play a game called fruit salad. We all rafted up and joined kayaks, each person was allocated a fruit and when your fruit was called you had to find someone that is the same fruit as you and swap positions into their kayak. After the game we had a swim in the lake.

All in all, camp was a great experience for all of us and we came home with great memories and ready for a good night's sleep!

Written collaboratively by Year 6 students; Bhavish, Marley C, Arkeem, Ben B, Jarred, Alex and T'Xanailei.

CASH FOR CONTAINERS. . .

Malvern Springs Primary School has partnered with Scouts WA to participate in the Cash for Containers recycling scheme. The benefits of this scheme include reducing the amount of rubbish going to landfill, encourage recycling behaviours from our students and families and raise funds for the purchase and installation of Solar panels around our school. Families are able to contribute to this project in three ways;

1. Deposit eligible containers into the school recycling bin directly. The recycling bin is located behind the canteen.
2. Hand in eligible containers to Mr Collopy in the Science room.
3. Take eligible containers to any recycling centre and quote the school's Scheme ID number (**C10324113**) so that proceeds are donated directly to the school.

Cash for Containers Recycling

Flavoured milk
less than 1Lt

- Carbonated
 - Non-carbonated soft drink
- all materials 150ml to 3 Lt.

- Water
 - Fruit and vegetable juice

CASH FOR CONTAINERS UPDATE. . .

The containers for cash scheme at MSPS has taken off in a big way. So far we have had our bin emptied twice and we have recycled the following containers;

- 586 aluminium cans
- 288 glass containers
- 615 plastic containers
- 76 liquid paperboard containers (flavoured milk)

This is great for the environment and great for MSPS as we receive a 10c refund for each eligible container. A special thank you goes to the families that are using our scheme ID (C10324113) to donate the proceeds of their recycling to MSPS no matter where they return their containers.

Mr Collopy
Science Teacher
