Students and staff are in preparation for the end of the school year. Christmas activities are going on in classrooms, as the formal learning program is winding down.

Class Parties

Class parties will be held next Tuesday or Wednesday. Information about each year level class party will be sent by your child's class teacher.

Year 6 Graduation and Big Day Out

The Year 6 graduation will be held next Monday and the final Year 6 excursion, The Big Day Out, is to Outback Splash next Wednesday. Many staff, especially the Year 6 teachers and Education Assistant, Sean Roe Curran, have worked hard to make sure students enjoy these special activities.

Class Lists for 2021

Your child's 2021 class allocation will be emailed home on Friday 29 January in 2021.

Class lists will be posted at school on Friday 29 January at 2:50pm.

We request that parents do not take photos of the class lists posted at school for security reasons.

Building Updates

Rooms T5, T6, T9 and T8 will be moved closer to the cricket nets over the school holidays to make way for the new permanent building. Students from these classrooms will be housed in the transportable classrooms until the new building is completed. It is going to be a bit messy and we are planning carefully to ensure student learning continues uninterrupted during the building program.

Student Reports

Student reports will be distributed next week. Kindergarten students will receive hard copy reports on Monday and Wednesday, depending on which rotation they are in. Electronic reports will be emailed on Wednesday 16 December for Pre-primary to Year 6 students.

CASH FOR CONTAINERS UPDATE. . .

Recycling Update - Thank you to everyone who has contributed to our cash for containers recycling scheme at Malvern Springs. We have had a magnificent response from students, staff and parents at MSPS as we are about to have our bin emptied for the third time. Please keep saving your containers over the holidays to deposit into our bin next year or return them to a collection centre of your choice. Any activity that reduces landfill and/or reduces our plastic use is good for us all in the long run. Remember you can return your containers to any collection depot and donate the proceeds

directly to MSPS by simply quoting our unique scheme ID number, **C10324113**.

Wishing you all a safe and happy holiday.

Mr Collopy
Science Teacher

CASH FOR CONTAINERS. . .

Malvern Springs Primary School has partnered with Scouts WA to participate in the Cash for Containers recycling scheme. The benefits of this scheme include reducing the amount of rubbish going to landfill, encourage recycling behaviours from our students and families and raise funds for the purchase and installation of Solar panels around our school. Families are able to contribute to this project in three ways;

1. Deposit eligible containers into the school recycling bin directly. The recycling bin is located behind the canteen.
2. Hand in eligible containers to Mr Collopy in the Science room.
3. Take eligible containers to any recycling centre and quote the school's Scheme ID number (**C10324113**) so that proceeds are donated directly to the school.
